**Embassy Suites Greenville Golf Resort & Conference Center
Greenville, South Carolina**

**Enjoy a day of golf competition, camaraderie and mentorship, while
helping to inspire the American Dream!**

Inspiring the American Dream Foundation's first annual educational fundraiser has been organized to create awareness for the various career paths available to young, South Carolinian students, in addition to sharing with them the knowledge, skills, and character traits, necessary to live independent, prosperous and productive lives.

Your support will enable Inspiring the American Dream Foundation to finance Opportunity to Succeed programs at elementary and middle schools throughout Greenville and Pickens Counties. So make plans to join us and participate in the golf classic in the morning and the career fair in the afternoon... for a fun-filled day of competition, mentorship and career development.

Help us to inspire the American Dream for students in Upstate South Carolina and sign up today!
